We listened to high school teachers. I was exciting, because I can know about the school which I want to go. I have to prepare for the entrance examination. So I will study hard. And I am sure pass the exam.

It was very cold today. It was too cold for me to get up early. I think that tomorrow, it will be colder than today. There will be tests on Saturday. I think that they will be difficult, but I want to get good points.

I played with my cat. His name is Natsu. He came to my house when I was nine years old. I love him. But I have an allergy to cats. I would like to touch him, but if I touch him, my eyes become itchy.

We performed the English play, A trip at our culture festival. I think that the English play is important. It was difficult for me to perform it. But I enjoyed it.

We went to Tachiarai Peace Memorial Museum yesterday. I watch a movie there. When I watch it, it made me sad. I think that we should maintain peace. I look up to people at war time.

It was substitution holiday for the sports day. So I went to Fukuoka with my family and Matsuyama's grandparents. First we had buffet. It was delicious. Second we went shopping. Lastly I had my hair cut. I went to a different barber so my hair too short. But I felt well.
