

(※※ = 'May contain traces of allergenic ingredient(s)')

Dear Customers,

- The allergen information provided is based on research done on specified allergenic ingredients (eggs, dairy, wheat, buckwheat, peanuts, shrimp, crab) that may be found in our food.
- While we take great care in the preparation and plating of our food, please be aware that small traces of the aforementioned allergenic ingredients may be present in our dishes.
- Allergic reactions will vary from person to person. Even minimal traces of contaminants may trigger reactions in some individuals.

Please consult with a medical specialist if you are uncertain about consuming a certain ingredient. Thank you for your cooperation.
